

LEAVING SCHOOL?

Check out all of your options
to help you **L**earn for a better future

I'm going to study a BTEC National Diploma. It's the equivalent of 3 'A' Levels and gives me a head-start on my chosen career path.

I'm going to do NVQ Level 2. This is a full Level 2 qualification - equivalent to 5 GCSEs in the vocational subject of my chosen career.

I didn't realise how many choices I had to continue my education!

Don't continue on to year 12 until you have explored all the options available to you! Call into our Conway Park Campus between 9am and 4pm Monday - Friday, you don't need an appointment. If you are age 16-18 on 31st August '07 your course will be free.*

**Conditions apply*

All it will cost you is your time and it might just change your life!

We specialise in vocational training and have a team of Advisers to help you explore your options. You may also be entitled to an Educational Maintenance Allowance to earn while you learn - ask for details.

We are committed to equality of opportunity for all who learn and work here
