

LOOKING FOR A CAREER IN THE NHS? AGED 16-18?

The NHS Academy North West are working in partnership with the Learning & Skills Council and local Further Education colleges, to recruit young people aged 16 - 18 onto cadetships commencing in September 07

We offer cadetships in:-

- Healthcare
- Healthcare Science
- Health Informatics / IT

Cadets gain practical experience in NHS placements, whilst studying for Nationally recognised qualifications at local Further Education colleges.
