

NCFE CACHE Certificate in Caring for Children - N117

This qualification encourages an understanding of the knowledge and the skills needed to care for young children. It covers children's growth, learning and development. There are also units to help with self-development. This qualification is suitable for you if you are considering a career in caring for children. It could also support you with re-engaging with learning and break down barriers to you entering the childcare workforce.

COURSE DETAILS

This programme will enable you to study a wide range of skills, all of which will help you on your chosen career pathway, moving into employment or further training. You will get the opportunity to gain a nationally recognised vocational qualification linked to your chosen career. Also, this programme will help you to improve your maths, English and ICT, plus develop the personal and social skills which employers look for. You will be given support and guidance throughout your learning journey and your progress will be reviewed with you regularly. This qualification aims to give learners the opportunity to develop the skills and knowledge needed for caring for children. The units will introduce learners to the main aspects of caring for children.
