

A photograph showing three students in a classroom or lab setting. Two students, a young man and a young woman, are focused on a white drone on a desk. The young man is holding the drone's remote control. A third student, a young man, is visible in the background, also working on a computer. The text 'BTEC Esports Diploma - C110' is overlaid in a blue box on the left side of the image.

BTEC Esports Diploma - C110

Want to get involved in Esports? Join this course to start your journey on the path to working in the dynamic and quickly evolving world of Esports. Esports is organised competitive gaming, with players competing as individuals or teams in a human versus human format. You will explore all aspects of this industry, from planning an Esports event to understanding the role of health and well-being in Esports.

COURSE DETAILS

The units you will study cover topics such as: Esports games, teams and tournaments; establishing an Esports organisation; Streaming for Esports; planning an Esports event; and Positive Health and Well-being in Esports. You will work with a range of teachers skilled in their own specialisms, to maximise your learning and develop the skills you need to progress. Successful applicants for this course will be passionate about Esports and keen to develop their knowledge and understanding of all aspects of the Esports industry.

ENTRY GUIDELINES

Relevant Level 1 qualification or minimum of 3 GCSEs at Grade 3/D or above including maths.

Satisfactory interview, assessment, school report and/or satisfactory reference.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

EQUIPMENT REQUIRED

Wifi and a Windows PC/laptop (or a commitment to work in college outside timetabled lessons to completed homework and assignment work).

ASSESSMENT METHOD

Assignments — several for each unit which will be due in throughout the course.

ADDITIONAL INFORMATION

Are you aged 16-18?

Study programmes are full-time courses for 16-18 year olds which include:

- A qualification such as BTEC Extended Diploma
- Meaningful work experience or preparation for work
- English and maths, if you don't already have GCSE grade A*-C in English and maths (grade 4 and above)
- Non-study activities such as tutorials, voluntary work, fund-raising/charity work, sport or trips.

WHERE CAN I PROGRESS TO?

Level 3 in Esports (planned for delivery at Wirral Met College from September 2022) Explore potential careers via [Career Match](#) — it provides current local data on wages and employment prospects.
