

## NVQ Plumbing and Heating Diploma - R170

The level 2 NVQ qualification is the next step for anybody with the level 2 diploma qualification who is working on site with a plumber. The course is designed to boost your qualification from a plumber's mate to an industry recognised plumber.

### COURSE DETAILS

The NVQ course is designed for students who already have a level 2 diploma in plumbing and heating, this course will allow them to gain industry recognised qualifications by certifying them with a Level 2 NVQ in Plumbing and Heating.

### TIMETABLE INFO

Monday and Tuesday, 18:00 - 21:00

Start Date: 16/09/2024

### ENTRY GUIDELINES

To study a Level 2 qualification, you will need:

A minimum of 4 GCSEs at grade 3, including English and Maths (or L1 Functional Skills in English and Maths)

OR

A relevant Level 1 qualification with GCSE English and Maths at grade 3 or above (or L1 Functional Skills in English and Maths)

Satisfactory interview and/or assessment

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

## ASSESSMENT METHOD

The course requires students to complete one exam on environmental awareness - this must take place in the College. All revision materials will be provided. There will then be a minimum of 6 onsite visits by our assessor who will help with the completion of your on-site portfolio.
