

## Motor Vehicle Maintenance and Repair Diploma - E132

The qualification is designed to engage and motivate 16-18 year olds who are interested in learning about the maintenance and repair of motor vehicles. The qualifications' combination of mandatory and optional units provide students with the flexibility of achieving and progressing in small manageable steps.

This qualification is aimed at 16-18 year olds who prefer and respond to 'hands-on' learning.

### COURSE DETAILS

This Certificate is ideal for you if you wish to develop your experience in the motor vehicle industry.

Once you have achieved the Certificate, it will support you to progress to a Level 2 Vocationally Related Qualification (VRQ), apprenticeship or employment.

Sample of units covered

- Health and safety practices in vehicle maintenance
- Automotive foundation skills
- Tools, equipment and materials for vehicle maintenance
- Skills in materials, fabrication, tools and measuring devices used in the automotive environment
- Spark ignition engine systems, components and operation
- Compression ignition engine systems, components and operation
- Steering and suspension systems components and maintenance (4 wheels or more)

### ENTRY GUIDELINES

A relevant Entry Level qualification or three GCSEs at Grade 2/E or above.

Satisfactory interview, assessment and school report or reference.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

## EQUIPMENT REQUIRED

To learn effectively on your course you will need to use certain items of equipment and undertake particular activities. We will provide these for your use whilst in College, but to enhance your learning experience further we require you to have Personal Protective Equipment and a small tool kit. Do you need support with the cost of this?.

## ASSESSMENT METHOD

Assessments consist of various combinations of practical and written tasks, by assessor observation and questioning. You will also need to pass a series of online tests.

## ADDITIONAL INFORMATION

Students may be able to fast track to level 2 after term 1, dependent on individual progress.

Students need the maturity, independence and motivation to attend college regularly and on time, participate to the best of their ability and behave in a responsible manner.
