

## Access to HE Psychology and Mental Health - Y039

This course is for those students who wish to progress to Higher Education. You will study Psychology as a core subject with Mental Health units to underpin your understanding. The course is very intensive and demanding, therefore, we expect 100% attendance. You will be allocated a Academic Advisor who will support you through your studies.

### COURSE DETAILS

You will need to achieve 60 credits to gain a Level 3 Access to HE Diploma in Psychology. You will study a total of 20 units all worth 3 credits each. You can gain a Pass, Merit or Distinction for each unit. Some Higher Education courses ask for a certain number of Merits or Distinctions to gain a place on their courses.

### ENTRY GUIDELINES

This course is for students who are 19plus.

4 GCSEs including English and Mathematics at Grade 4/C or above or Pre Access and English and Maths at Grade 4/C or above, or an equivalent such as Functional Skills English and Maths at Level 2 (to be discussed at interview).

Equivalent Level 2 English and mathematics qualifications will only be considered with confirmation, in writing, from a university that they will accept an alternative (discussed at interview).

You will be interviewed and be able to demonstrate your understanding of the career you want to progress to.

Satisfactory interview and assessment (written/comprehension task).

*Office use only. Non Standard 44a.*

## ASSESSMENT METHOD

You will be assessed through assignments set such as essays, academic posters, reports, research tasks, timed assessments and presentations.

## ADDITIONAL INFORMATION

You will be required to complete a written task and which you will bring with you to interview. Evidence must be presented of qualifications.

## WHERE CAN I PROGRESS TO?

You can progress to a 3 year degree in Psychology as well as other subjects, such as, Social Work, Health Promotion, Law or Education for example. The College offers a pathway to the University of Liverpool called BSc (Hons) Psychology where you can study 2 years with the college and your final two years with the University.
