

Pre Access to HE programmes - Level 2 in Humanities, Nursing & Health Professions or Medical Science - Y022

This is a Level 2 course particularly designed to prepare you for study on a Level 3 Access to HE Diploma in the following:

- Access to Psychology and Mental Health
- Access to Sociology and Criminology
- Access to Biomedical Science
- Access to Nursing

COURSE DETAILS

This course is part of an integrated programme designed to equip you with the skills and qualification needed for Access to HE Level 3 study.

There are three pathways you can choose from - Humanities, Nursing and Health Professions or Medical Science.

You will also gain background knowledge and understanding of a range of subjects in each area as well as developing key academic skills to help you prepare for Access to HE programmes. For all three pathways you will study modules such as Research, Referencing and Report Writing.

For the Humanities pathway you will study modules such as Understanding Youth Justice, Children's Social and Emotional Development and Counselling Theories.

For the Nursing and Health Professions pathway you will study modules such as Protection and Safeguarding, Medical Conditions and Drug Awareness.

For the Medical Science pathway you will study modules such as Reproduction, DNA and Inheritance, Forces and Elements and Compounds.

You will also have the opportunity to complete English and Maths at Level 2, which will enable you to progress onto Access to HE Level 3 programmes.

ADDITIONAL INFORMATION

You must have an interest in Humanities, Science, Nursing or Health subjects. You should be considering taking an Access to HE course when you have successfully completed this course. During the year if you are successful at interview, you may be able to study for a GCSE or Functional Skills alongside your programme. In order to progress to Access to HE you will need to have a grade 4/C in GCSE English and maths or alternatively pass Level 2 Functional Skills English and maths. If you do not have a grade 4/C or above or equivalent in either of these subjects you will need to study maths or English alongside this course to gain both qualifications. You will only be allowed to study one GCSE (maths or English) during the year.
