

All activities may be a blend of virtual & face to face in event of further Covid restrictions and may be subject to change.

If you are on a study programme your tutorial sessions will also cover employability skills and all of our vocational courses will prepare you for the workplace. Your study programme will also include work experience

We also have a section of our Virtual Learning Environment dedicated to all aspects of your progression including further study, apprenticeships and applying for jobs and we have lots of resources to help you explore your options.

If you would like further information regarding courses or careers, whatever your age, qualifications or experience pop in and see one of our [advisers](#) at our Conway Park Campus or give us a ring!

Wirral Met Student Services holds matrix accreditation for Information, Advice and Guidance and works towards the [Gatsby Benchmarks](#) for good careers guidance.
