How do I apply for a course?

1. Take a look at the list of courses from page 10, or visit **wmc.ac.uk**.
2. Check the symbol under 'How to Apply'

You need to complete an application form. You can apply online by searching for the course you want to study and click 'Apply online', you can download an application form from our website, or you can pick one up from any college campus, and post it to us at Admissions, Wirral Met College, Conway Park Campus, Europa Boulevard, Birkenhead, CH41 4NT.

Once we receive your application, we will invite you to an interview with the tutor. If you are successful, you will receive a letter including joining instructions.

Please call 0151 551 7777 to book your place or contact us for details.

Please note, if you are aged 19 and over you may be able to take out an 'Advanced Learner Loan' to pay for your course. If 'Yes' appears in the 'Loanable' column you can take out a loan to pay for this course, if 'No' appears you will have to pay the course fee shown.

For more information about Advanced Learner Loans, please contact Student Services on **0151 551 7777** or visit our website at **wmc.ac.uk**

Please note all enrolments are subject to meeting entry guidelines for the course. You must bring proof of identity to enrolment.

Course fees & discounts 2017-18

How much will it cost?

Are you aged 16-18?

Your full-time study programme which is funded by the government will be FREE for most students who are aged 16-18 on 31 August 2017.

Aged 19+?

If you are aged **19-23** you may not have to pay course fees if you are claiming certain benefits or studying your first full level 2 or 3 course (conditions apply). If you do pay fees, you may be entitled to financial help from college towards payment of fees, travel costs, childcare, residential fees or equipment required for your course (conditions apply). You may also be eligible for an Advanced Learner Loan, see across for more details.

Traineeships are also fully funded by the Education and Skills Funding Agency (ESFA) for 16-24 year olds.

For students aged 24+, fees are specified. You may be entitled to financial help towards payment of fees, travel costs, childcare, residential fees or equipment required for your course (conditions apply). You may not have to pay course fees if you are studying a course up to and including level 2 and claiming certain benefits (conditions apply). For students aged 24 and above studying level 3 or level 4, course fees will apply.

Visit wmc.ac.uk or call **0151 551 7777** to get your copy of the Fees and Discounts leaflet.

Advanced Learner Loans

Advanced Learner Loans will give students aged 19+ in further education, studying eligible level 3-6 courses, access to financial support for tuition costs from the Student Loans Company.

Currently, if the loan is for an Access to Higher Education course and you subsequently go on to complete a higher education course, you won't have to pay back your Advanced Learner Loan.

Loan repayments apply once you have completed your course and earn over £21,000.

It's easy to apply, your household income isn't taken into account and there are no credit checks. For more information, visit:

www.gov.uk/advanced-learning-loans

Before applying, you will need to check the course you are applying for is eligible for an Advanced Learner Loan. You will receive a Learning and Funding Information letter from us when you are offered a place on the course.

Further Financial Assistance

In addition to the Advanced Learner Loan, there is a range of financial assistance available including:

- 19+ Learner Support Fund
- 20+ Childcare Support

Are you an overseas student?

Please contact our International Office for information on fees - call **0151 551 7777**, or visit wmc.ac.uk

See page 7 to see if you qualify for free tuition.

Our course fees at Wirral Met College include tuition and examination fees, unless otherwise stated.

Please see the table on page 7, but note, this table does not apply to courses designated as Higher Education or Full Price, as no funding is received from the Education and Skills Funding Agency (ESFA) for these courses.

If you pay fees, you can pay for your fees by credit or debit card, cheque or cash.

All students paying their own fees will be expected to make a contribution to the enrolment fee at the time they enrol (enrolments at Conway Park, Wirral Waters or Twelve Quays campuses). This will be £80 or the full balance, if this is less than £80 or if your course runs for 10 weeks or less. Please note that if no fees are payable on your course, you will not be expected to make a payment at enrolment.

Fee Payment Options

- Pay total fee at enrolment;
- Make initial payment at enrolment, and then pay the balance within two weeks;
- Make initial payment at enrolment, then pay remaining balance by direct instalments.

Visit wmc.ac.uk - Support Information/ Financial Support for details of instalments.

(Failure to meet a direct debit instalment will result in the full balance of fees becoming due immediately);

- Students whose fees are sponsored by employers, agents, local authorities or other organisations must provide written evidence of this at enrolment. A letter must contain contact details of who will pay the fees, and the address to which the invoice should be sent. In the absence of this evidence, the enrolling student will be liable for fees. When an employer or other agency agrees to pay these fees, they become liable for them in full.

In addition, funding is available for individuals aged 19 and over who are studying on the day they start Trade Union Congress (TUC) aims, and individuals aged 24 and over who have served in the British Armed Forces in the last 10 years after completing 4 or more years' service or who have been medically discharged.

Serving members of the British Armed Forces may also be entitled to funding. Further details are available from Student Services.

Fees quotes are for each year, except for prices quoted for level 3 courses in the loanable fee column, which are for the duration of the course.

Apprenticeships

An apprenticeship allows you to develop your skills, knowledge and career, whilst gaining qualifications.

You will be employed by a company and get paid from the day you start.

Wirral Met College works with employers to offer apprenticeships to suit most career paths across a variety of sectors, ranging from Accountancy and Engineering to Laboratory Technician and Nail Services.

The Apprenticeship at level 2 equates to 5 GCSEs (A*-C) and the Advanced Level Apprenticeship at level 3 equates to 2 A Levels. You may then be able to progress to a Higher Apprenticeship at Level 4 and above. From September 2017 we are launching our new Chemistry Degree

Apprenticeship which equates to a Level 6 BSc in Applied Chemistry in conjunction with and awarded by The University of Central Lancashire (UCLan).

For full details about what an apprenticeship involves, visit the Apprenticeships page on our website at **wmc.ac.uk**. You will find details of current apprenticeship vacancies with local employers, and help with how to apply for an apprenticeship.

Alternatively, take a look at **www.gov.uk/apply-apprenticeship** for details of apprenticeships and vacancies.
